

New to the Market!

The Sandhills Ranch

10,122.00 Acres | Kiowa County, Kansas
Priced at \$14,790,000

This is a ranch you have to see to believe! If you are looking for exceptional cattle grazing, world class wild quail and deer hunting, opportunities for large scale conservation easements, further mineral development, wind or solar energy development, or a nice hedge against inflation, you will want to take a look at one of the last remaining contiguous sandhills ranches of this type and size in Kansas.

What Our Clients Are Saying...

Shad Sheldon

"Wow! Hayden Outdoor Realtors. Not enough words to express our appreciation. We decided to sell our 8 acre 16 year ranch, and hurriedly got it ready for sale. It was listed with another agency who only utilized MLS listings. Well MLS is only available to realtors, not the public. Three months went by and only one viewing, no contracts. When our listing contract was up we decided to go with Shad Sheldon and Hayden Outdoor Realtors. So glad we did. Our listing was placed on over 1,400 sites nationwide. Thirty-one days later, our ranch was SOLD !! If you want professionalism in the sale of your home, and sold quickly, Hayden Outdoor Realtors is the way to go. Shad took care of all closing documents and necessary actions. All we had to do was "sign on the dotted line". We are very pleased."

-Butch and Kate Gilliam
