Birch Creek Ranch Development

1,387.39 Acres | Idaho
Priced at \$6,800,000

The development has a total of 1,387.39 acres which vary in topography from level to rolling. Two creeks meander through the property's landscape. Mud Spring Creek runs through a few lots in the southern portion and Birch Creek runs through a few lots in the northwest portion of the subdivision. Additionally, some parcels border BLM or State of Idaho land.

Cottonwood Creek Ranch

1,607.67 Acres | Idaho | Listed at \$5,200,000

Cottonwood Creek Ranch is a large mountain hunting and cattle ranch in west-central Idaho that boasts a newly built 3,400 sq ft luxury log home. The land consists of 1,607.67 acres of rolling hills and meadows which borders state, federal, and BLM (Bureau of Land Management) lands. It features 2 remote mountain ponds, several natural springs, and contains deeded water rights with irrigation ditch water provided from Cottonwood Creek, which runs year-round through the southwest portion of the ranch. The ranch has a complete road system with culverts that reaches even the remote corners of the property.

What Our Clients Are Saying...

Kasey Wipf

"My wife and I completed a land purchase from your company in Beadle County, South Dakota. We wanted to let you know what a fine job Kasey Wipf of South Dakota did in helping us to make the purchase of our dream property come true. Kasey was right there from the beginning and stayed with us to the end. We feel he went above and beyond all expectations answering any questions in a timely matter and we want to thank your company for having people like Kasey on your team. It is hard working people like Kasey that makes your company stand out!!! Thanks Again!!!"

-Robert and Lisa Simpson
