About This Property:

The Tom Kime Reservoir parcel is truly a versatile property. With its varied topography thanks to the 3+-acre pond, you can choose from several uses. If it's hunting, the pond provides water and cover in an area that is predominantly an open prairie landscape giving ducks, geese, doves, mule deer and antelope a welcome break. With cross fencing and 4 pastures, consider grazing cattle, keeping horses, haying or building your dream home.
