

## Exhibit B - Mineral Rights Map

*PH*

*SWH PH*

\*\*\*The polygons are for visual reference only and should NOT be used to reference exact locations.

It is believed that the seller owns 100% of the mineral rights and will convey them to the buyer EXCEPT the following areas: the blue polygon only 50% of the mineral rights are owned by the seller, which will transfer. AND NO mineral rights are owned within the orange polygon.
