Land

Tap into the benefits of a wildlife haven that boasts open pastures, rolling terrain, abundant native and exotic wildlife, a man-made dam and nearly five miles of the seasonal Blowout and Rocky creeks. This serene Hill Country property borders two county roads and is conveniently located less than 15 minutes from Golthwaite for shopping convenience. For those seeking more urban amenities, it is situated only 1.5 hours from Austin, 2.5 hours from Dallas/Fort Worth and less than 3 hours from San Antonio.

The ranch's concrete dam is a popular watering hole for wildlife and serves as your own private swimming and fishing hole. Head for a nearby blind with your rifle or bow, or relax under one of the many mature live oaks with binoculars and camera in hand and take advantage of the wildlife viewing opportunities. Long-range shooters will appreciate the chance to shoot out to 1,000 yards, thanks to the property's steel gong setup.

The high-fenced ranch offers multiple game species, including whitetail deer, turkeys, pigs, jackrabbits and popular Texas hill country exotics such as axis, blackbuck, fallow, red deer, aoudad and white-bearded gnu. Enjoy terrain that features elevation changes of more than 200 feet, providing varying views of the ranch's 2,275 acres and multiple sites for an additional home or cabin amid the live oak, post oak, walnut, pecan, elm, mesquite and cedar trees. Native vegetation includes yucca, prickly pear cactus, desert spoon and, in spring, renowned Texas Hill Country wildflowers, including iconic bluebonnets.

Improvements

THE BRAND THAT SELLS THE *Land*®

Hayden Outdoors is a family-owned real estate company and brokerage with a background in the cattle and ranching business. In 1976, Leo Hayden founded the company as the Property Exchange, working with farms and ranches for sale near Hays, Kansas. The brokerage moved to Goodland, Kansas in 1981 and became Hayden Inc. In the late 1990's, Leo was joined by his two sons, Dax and Seth, to help grow the business in multiple states. In 2003, Hayden Outdoors was formed to represent sellers and buyers on farm, ranch, and recreational properties in the Great Plains and Rocky Mountains.

The team at Hayden Outdoors has grown and prospered to include over 200 brokers, agents, and an excellent full-time staff supporting the sale of rural land. Hayden Outdoors represents the finest farms, legacy properties, working ranches, hunting lands and recreational properties from coast to coast.

Over time, we have built our team to be composed of brokers and agents with experience and knowledge in their markets and an affinity to "Do what they say they will". Hayden Outdoors is about honesty and integrity with customers and a rich sense of land stewardship. We understand land, water, habitat, livestock, wildlife, minerals and what is necessary to maximize value for our clients. **We truly love the great outdoors!**

We are blessed to work with the owners and buyers of the farms, ranches and other fine recreational properties we represent, because it is still the diversity of owners over the years that make these places so special.

At Hayden Outdoors, we're proud to say that we only work with the **best** brokers and agents who are experienced farmers, ranchers & outdoor enthusiasts.
