THE BRAND THAT SELLS THE *Land*®

Hayden Outdoors is a family-owned real estate company and brokerage with a background in the cattle and ranching business. In 1976, Leo Hayden founded the company as the Property Exchange, working with farms and ranches for sale near Hays, Kansas. The brokerage moved to Goodland, Kansas in 1981 and became Hayden Inc. In the late 1990's, Leo was joined by his two sons, Dax and Seth, to help grow the business in multiple states. In 2003, Hayden Outdoors was formed to represent sellers and buyers on farm, ranch, and recreational properties in the Great Plains and Rocky Mountains.

The team at Hayden Outdoors has grown and prospered to include over 200 brokers, agents, and an excellent full-time staff supporting the sale of rural land. Hayden Outdoors represents the finest farms, legacy properties, working ranches, hunting lands and recreational properties from coast to coast.

Over time, we have built our team to be composed of brokers and agents with experience and knowledge in their markets and an affinity to "Do what they say they will". Hayden Outdoors is about honesty and integrity with customers and a rich sense of land stewardship. We understand land, water, habitat, livestock, wildlife, minerals and what is necessary to maximize value for our clients. **We truly love the great outdoors!**

We are blessed to work with the owners and buyers of the farms, ranches and other fine recreational properties we represent, because it is still the diversity of owners over the years that make these places so special.

At Hayden Outdoors, we're proud to say that we only work with the **best** brokers and agents who are experienced farmers, ranchers & outdoor enthusiasts.
