Property Summary

607 Park Street is a well-maintained 3-bed, 2.5-bath home with great curb appeal and quality updates throughout. The master suite features a raised beam ceiling. Custom oak cabinets, quartz countertops in the kitchen and baths, and pet-proof vinyl flooring add style and durability. Dishwasher and refrigerator are less than a year old, hot water heater is under 2 years old, and the above-ground pool features a new liner. Move-in ready!

Improvements

Large deck surrounds the above-ground pool and offers plenty of space for entertaining. The yard is filled with established perennials that make it easy to keep the property looking great year after year.

Region & Climate

Southwest Missouri region with a humid subtropical climate featuring four distinct seasons. The area offers rolling Ozark hills, mature timber, and scenic creek bottoms. Summers are warm and humid, while winters are generally mild with occasional snow and ice. Spring and fall bring colorful scenery and comfortable temperatures.
